The session will include a housing panel of individuals that have moved from various settings into their own home in the community. It will be a hybrid session with in-person availability and virtual access via Zoom.

Did you know over 2100 people with developmental disabilities receive natural, Medicaid DD Waiver and other supports living in their own home in the community? You can too! Please join us at the session to find out how to make this a reality for you or someone you know.
